and possibly spot errors

Non_adapt, posterior for beta0 and log(beta1) on 3 pts

Non_adapt, posterior for beta0 and log(beta1) on 6 pts

Non_adapt, posterior for beta0 and log(beta1) o 9 pts

Non_adapt, posterior for beta0 and log(beta1) on 12 pts

Non_adapt, posterior for beta0 and log(beta1) on 15 pts

Adaptive 1, posterior of beta0 and log(beta1) on 3 pts

Adaptive 1, posterior for beta0 and log(beta1) on 6 pts

Adaptive 1, posterior for beta0 and log(beta1) on 9 pts

Adaptive 3, posterior of β_0 and $\log(\beta_1)$ on 3 pts

Adaptive 3, posterior of beta0 and log(beta1) on 6 pts

Adaptive 3, posterior of beta0 and log(beta1) on 9 pts

Adaptive 3, posterior of beta0 and log(beta1) on 12 pts

Nimble, posterior of β_0 and $\log(\beta_1)$ on 3 pts

Nimble, posterior of beta0 and log(beta1) on 6 pts

Trace of beta[1]

Density of beta[1]

Trace of beta[2]

Density of beta[2]

Nimble, posterior of beta0 and log(beta1) on 9 pts

Nimble, posterior of β_0 and $\log(\beta_1)$ on 12 pts
